Dear Mr. Panattoni:

Thank you for becoming a member of the Carbondale Historical Society on December 22, 1982. The Committee to Restore Carbondale City Hall and the Carbondale Historical Society have merged, and the memberships of both organizations are working together to preserve and protect Carbondale's irreplaceable architectural and cultural heritage.

If you subscribe to THE CARBONDALE NEWS, you are very aware of the fact that the Carbondale Historical Society has been very active in the community in recent weeks, especially in reference to the Post Office building at the corner of Main Street and Lincoln Avenue. Thanks to our defense of the building, the United States Postal Service has agreed to include in the deed of conveyance, when the building is sold, a clause which will require the new owner of the building to protect and preserve the architectural integrity of the exterior of the building. On February 20, 1983, the recently-restored tower room on the third floor of Carbondale City Hall will be formally opened to the public. This room was restored by the Society and will serve as the Society's headquarters. The Society meets biweekly on Thursday at 7:30 P.M. I hope that if, in the future, you are visiting in Carbondale that you will be able to attend one of the Society's meetings. I would very much like to make your acquaintance.

Again, thank you for joining us.

Sincerely yours,

S. Robert Powell
